A simplified map of the Cincinnati/Northern Kentucky International Airport (CVG) layout. The map shows the main terminal building at the top, with a large blue rectangular area representing the terminal. Below the terminal are two smaller buildings labeled "Ground Transportation West" and "Ground Transportation East". A central corridor connects the terminal to a large, dark grey rectangular area representing the baggage claim and ground transport area. This area is divided into two sections by a horizontal line, with "Tunnel 6" and "Tunnel 8" labeled on either side. The map is set against a light green background representing the airport grounds.
