

A detailed map of an airport terminal and surrounding areas. The terminal building is a large, light-colored structure with multiple levels and wings. A red location pin is positioned near the top center of the building. The map includes several labeled locations: "Airport Badging Office" (red star), "PIT Information Desk/Lost and Found" (blue star), and "AIRPORT ARRIVALS" (repeated three times at the bottom). Various icons indicate the presence of people, luggage, and other facilities. The map is overlaid with a light blue grid and includes a legend on the left and a zoom control on the right.
