A map of an airport terminal area. The map shows several parking lots with yellow and blue markers. The terminal building is a large, rectangular structure with a grid of letters (A-Z) and numbers (1-22) indicating different sections. The map is oriented with the terminal building at the top and the parking lots below it. The map includes labels for streets: SOUTH MERIDIAN AVENUE, GUY FULLER DRIVE, TERMINAL DRIVE, AIR CARGO ROAD, and SOUTH WEST 66TH STREET. A blue lake is visible on the left side of the map. The map is overlaid with a grid of letters and numbers, likely representing a coordinate system or a map of the terminal building's layout.
