### Destination Exploration (ages 0–5)

A place for our littlest scientists to play and explore.

### Early Explorations

Coming soon!

### Gift Shop Tienda de regalos

Find unique games, cool activities, and STEM resources.

### Fossil Frontiers

Learn about paleontology and dinosaurs.

### i2 Makerspace

Our high-tech maker space with 3D printers and laser cutters.

### Lever Car

Lift a car in this experience sponsored by Nissan.

### Max Flight: Full Motion Simulator (weight & height restrictions)

A gravity-defying adventure for thrill-seekers.

### Physics of Light

Explore wavelengths and color on our giant light bright wall.

### soundBox

Hands-on music and sound exhibit with 15 unique experiences.

### Solar System Survey

Take a walk through our solar system.

### Sudekum Planetarium (main entrance)

See the universe and beyond in our world-class planetarium.
