

Suited for kids of all ages, there's something for everyone.

Get hands on with our friendly goats and sheep in a barnyard inspired by a 19th century Appalachian farm. Explore the Clayton Cabin, play in the sandbox, dip your feet in a mountain stream in the warmer months or visit the Night Club where you see nocturnal animals up-close.

Enjoy Clayton Safety Splash, a 5000 square foot water play area designed for all ages. Life-sized giraffes sprouting water along with colorful spray components make this a perfect area to cool off. **Open seasonally.**

Zoo Knoxville is committed to helping guests of all ages and abilities enjoy the 'wildly fun' experience of interacting with and viewing animals from around the world. We are a KultureCity Certified Sensory Inclusive Venue and we provide accessible facilities throughout the park. Strollers, wheelchairs, and scooters are available on a first come first serve basis for rent.
