TERMINAL 1

The diagram illustrates the layout of Terminal 1. At the top, a row of gates is labeled with numbers: 122, 121, 120, 119, 118, 117, 116, 115, 114, 112, 110, 108, 106, and 104. Below these gates is a long, white, horizontal structure representing the terminal building. Inside this structure, a yellow rectangular area is labeled "Security Checkpoint" with an upward arrow. To the left of the security checkpoint, there are three "Curbside Check-in" areas. To the right, there is a "Passenger Drop-off" area. Various icons representing different services and facilities are scattered throughout the terminal building. Below the terminal building is a dark blue area labeled "Terminal 1 Parking Plaza".
