The image displays a 3D isometric floor plan of the International Terminal. The plan is divided into four main levels: 4th Floor (top), 3rd Floor, 2nd Floor, and 1st Floor (bottom). Key features include a central circular atrium with a spiral staircase, multiple levels of walkways, and various building blocks representing different facilities. The 4th Floor contains a large rectangular block labeled 'G1' and several smaller blocks labeled 'S1' through 'S4' (Sport Select), 'F1' through 'F8' (Facilities), and 'F2,F7' (Thai Royal Orchid Lounge). The 3rd Floor has a block labeled 'F3' (Thai Street Food). The 2nd Floor has a block labeled 'F4' (Bill Bentley Pub). The 1st Floor contains a 'Play Ground' and a 'Restaurant & Coffee Shop'. The plan also includes several 'Boots' and 'King Power Duty Free' blocks. The entire structure is surrounded by a white border, and there are small icons representing elevators and stairs.
